JX Nippon Mining & Metals Corporation

Regarding Organizational Restructuring

JX Nippon Mining & Metals Corporation (President: Shigeru Oi) plans to implement the organizational restructuring detailed below on March 1, 2018.

Establishment of an Integration Promotion Office

On March 1, 2018, we will establish an Integration Promotion Office inside the Technology Group as a specialized unit to undertake work associated with the recent acquisition of shares in H.C. Starck Tantalum and Niobium GmbH and Post Merger Integration.
